Things we are Learning

This month, I'm excited to focus on Nursery Rhymes and Fairy Tales! We will be reading lots of classic stories and making some fun things to go with them.

While nursery rhymes and fairy tales will keep us busy, I will also be bringing in some books on emotions. I think it will help us talk about our feelings and what to do when we are frustrated, angry or sad. It should be a really relevant topic to our Early Learners.

Fees

Fees of \$35 per child are used to cover bulk supplies, such as writing booklets, duotangs, crayons, glue sticks, pencils, etc.). Please pay at the office at your earliest convenience.

Special Item

Our Early Learners have much better attention spans and can sit longer at circle time. This means we can fully implement a Show and Share time on your child's special day. Your child is welcome to bring one special item to show on that day.

Parent Volunteers

Parent volunteers are always welcome in our classroom! I would especially encourage you to help us out on your child's Special Day.

If you haven't done so already, please talk to Mrs. Bergen-Henengouwen in the office to get the proper paperwork in place to be a parent volunteer in our classroom.

Communication

If you haven't done so already, please send me a message on What's App with your name and your child's name. Then we will be able to communicate directly if there is a concern with your child or you can let me know if your child will be away.
